Subject: C. Kelly Resignation at conclusion of this term ( July 1, 2022 )

Hello Linda,

At the conclusion of my term at the end of June, I would like to resign from the board of ElderSource. While I have enjoyed the opportunity to be involved in this organization in so many ways, I think now is the time for me to complete my board service. We are spending more and more time with our family in Atlanta and Chattanooga and our young grandchildren.

Thank you for your continued leadership and the dedication of the staff and board to the cause of independent living for seniors and disabled in our region. I will continue to be an unofficial advocate and resource should a particular need arise in the future.

All the best,

Catherine Kelly
